

GreenMoxie Australia Equine posts suitable for 40mm tape, 90-100mm tape and 12mm tape on the same hole centres as a standard hole spacing giving the option for 12mm tape or electric braid, making the posts universal Equine interchangeable to match any standard fence. Slot dimensions 4mm x 38mm, 4mm x 90mm and 4mm x 11mm (Slight undersize of the slots prevents the tape and braid from flutter and wear) Special custom slots and hole spacing available on request.
